Supersedes: UCLA DA 155.25 (Execution of Agreements) to Vice Chancellors, Deans, et al., dated August 12, 2011.

Effective as of the date above, I hereby delegate to your positions, within your respective areas of responsibility, the authority to execute various service agreements required with outside organizations, agencies, and individuals to implement approved programs and activities, whether the University is the supplier or recipient of the service covered by the agreement.

Within the scope of this delegation, you are authorized to negotiate and execute all such agreements, except those which contain provisions falling within the restrictions and limitations set forth in Standing Order 100.4 (dd), or which require approval of The Regents because of specific policy memoranda issued from time to time.

This delegation is *not* to be used for transactions which are covered under authority delegated concerning:

- Execution of purchase contracts, sub-contracts, and standard purchase orders for goods and services to be supplied to the University (UC DA 2100);

- Those delegations established in Business and Finance Bulletins such as BUS 34, Securing the Services of Independent Consultants, or in University policies such as the University of California Patent Policy or University of California Policy on Copyright Ownership.

This delegation is also not to be used for foreign exchange and linkage agreements or for creating foreign affiliation agreements or memoranda of understanding.

This delegation to negotiate and execute service agreements includes, but is not limited to, the following types of agreements:

- Agreements for concerts, lectures, rental and licensing the use of films, and various theatrical or musical productions.
- Agreements with California schools and/or school districts for teacher training programs.

All agreements under this delegation must be executed in accordance with the applicable University policies and procedures governing the particular transaction, including, but not limited to, Business and Finance Bulletins and relevant guidelines issued by the appropriate functional areas within the Office of the President. All agreements must be approved as to legal form by the General Counsel prior to execution unless the agreement is in a form previously approved by that office and is issued without revision.

This delegation is being reissued due to organization changes and there are no substantive changes to the delegation being superseded. The authority provided by this delegation is broad and should be exercised with discretion. To prepare further redelegations, please contact the Administrative Policies & Compliance Office, x57531, for assistance.
