Effective as of the date above, I hereby delegate to you, in your areas of responsibility, the authority to execute performance agreements required with outside organizations, agencies, and individuals to implement approved programs and activities, whether the University is the supplier or recipient of the service covered by the agreement. Within the scope of this delegation, you are authorized to negotiate and execute all such agreements, except those which contain provisions falling within the restrictions and limitations set forth in Standing Order 100.4 (dd), or which require approval of The Regents because of specific policy memoranda issued from time to time.
