Supersedes: New

I hereby delegate to your positions, in conjunction with UCLA Capital Programs, the authority to award, facilitate and manage the low voltage wiring components for voice, data, video and fiber and other related components, for construction contracts up to \$500,000 and Construction Work Order Agreements which are not in excess of appropriated funds, within your area of administrative responsibility. In addition, this delegation includes the authority to negotiate and execute change orders to a construction contract which are not in excess of appropriated funds.

This authority is to be executed within the restrictions imposed by applicable State law and subject to the regulations and procedures in the UC Facilities Manual and the administrative requirements of the Capital Programs Contracts Administration unit, and in accordance with UCLA Policy 350 and the UCLA Communications Infrastructure Standards.

This authority may not be further redelegated.
